DIGITAL MARKETING

Learn Digital Marketing. Build Online Visibility. Grow Brands, Businesses & Careers.

Aayush Institute of Professional Studies offers career-oriented **Digital Marketing training** for students, graduates, freshers, working professionals, entrepreneurs, business owners and aspiring digital professionals.

The programme focuses on the complete digital marketing ecosystem, including **SEO, Google Ads, social media marketing, content marketing, email marketing, online reputation, analytics, e-commerce and AI-powered marketing tools**.

The learning approach combines concepts with practical assignments, campaign planning, analytics, projects and career preparation.

WHAT IS DIGITAL MARKETING?

Digital Marketing is the process of promoting products, services, brands and businesses through digital channels and platforms.

A complete digital marketing process can include:

Research → Strategy → Content → Reach → Engagement → Traffic → Leads → Conversion → Analytics → Optimisation

Digital marketing is used by businesses across industries to:

- Build Brand Awareness
- Reach Target Customers
- Generate Website Traffic
- Generate Leads
- Promote Products & Services
- Increase Online Sales
- Build Customer Engagement
- Measure Marketing Performance

WHO CAN LEARN DIGITAL MARKETING?
