TALLY & ACCOUNTING

Learn Accounting. Master TallyPrime. Build Practical Finance & Business Skills.

Aayush Institute of Professional Studies offers career-oriented **Tally & Accounting training** for students, graduates, freshers, working professionals, business owners and anyone looking to develop practical accounting and business finance skills.

The programme combines **accounting fundamentals with practical computerised accounting using TallyPrime**, covering bookkeeping, ledgers, vouchers, GST, inventory, banking, payroll, financial statements, taxation fundamentals and business reporting.

The focus is on understanding accounting concepts and applying them to practical business transactions.

WHAT IS TALLY & ACCOUNTING?

Accounting is the systematic process of recording, classifying, summarising and interpreting financial transactions of a business.

TallyPrime is widely used as a business accounting and management software for activities such as:

- Accounting
- Billing
- GST
- Inventory Management
- Banking
- Payroll
- Financial Reporting
- Business Data Management

A practical Tally & Accounting learning pathway can include:

Accounting Fundamentals → Company Setup → Ledgers → Vouchers → GST → Inventory → Banking → Payroll → Reports → Financial Statements

---

WHO CAN LEARN TALLY & ACCOUNTING?

The course can be suitable for:

- 10th / 12th Pass Students
- ITI Students
- Polytechnic / Diploma Students
- B.Com Students
- BBA Students
- BCA Students
- Graduates
- Freshers
- Working Professionals
- Accounts Assistants
- Billing Executives
- Office Executives
- Business Owners
- Entrepreneurs
- Existing Accounting Staff
- Career Changers

Beginners can start with accounting fundamentals before moving into computerised accounting.
